

LAURIER HEIGHTS

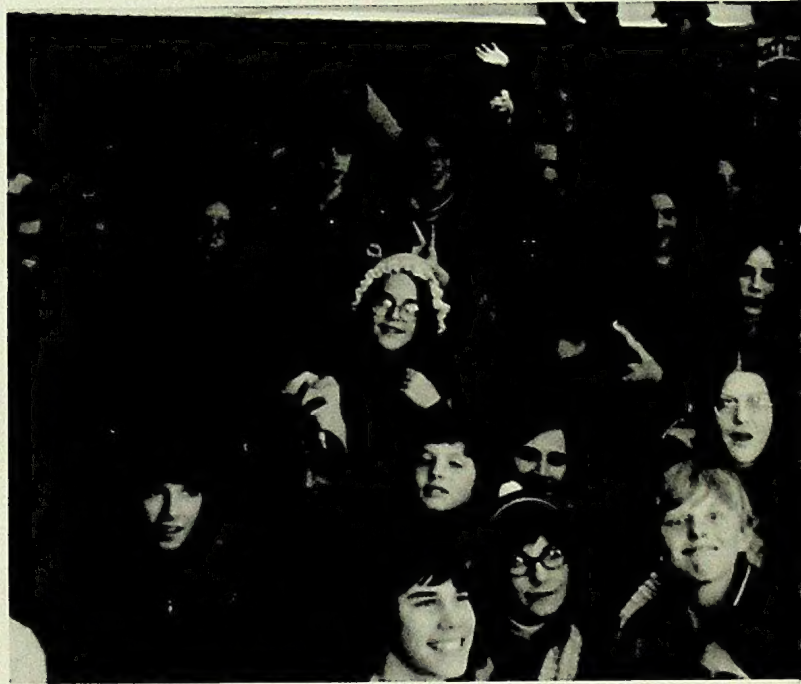

Dear Mr. Calkins,

Laurier Heights school is a pleasant place. Relaxed instead of rigid, the school is structured not for discipline, but for learning. This we attribute to you. For your open-mindedness - understanding our desire for various activities and building a rapport with us - and for your endeavors to provide better facilities and better relations between the staff and ourselves and among ourselves, we thank you.

The student body.

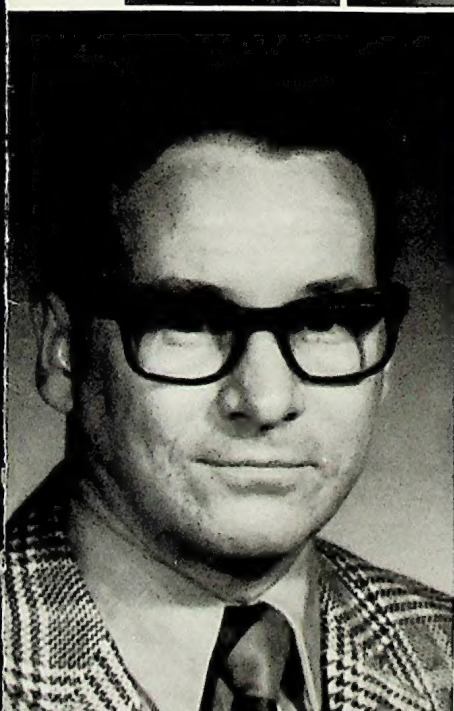

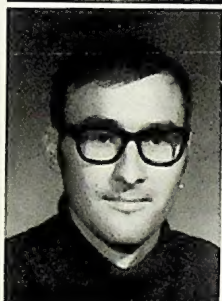

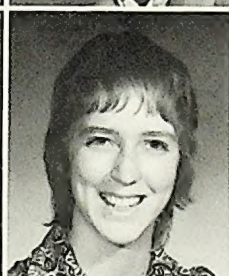

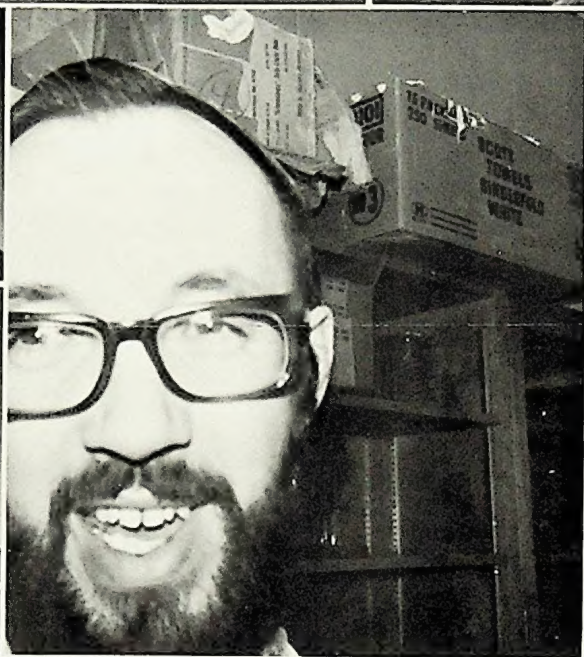

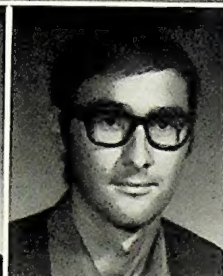

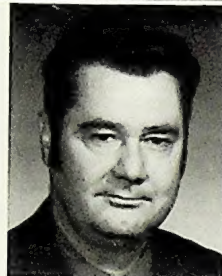

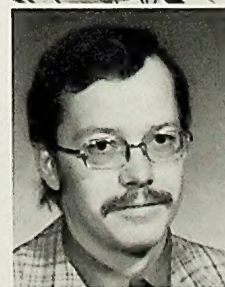

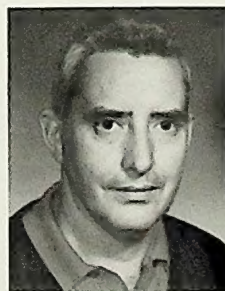

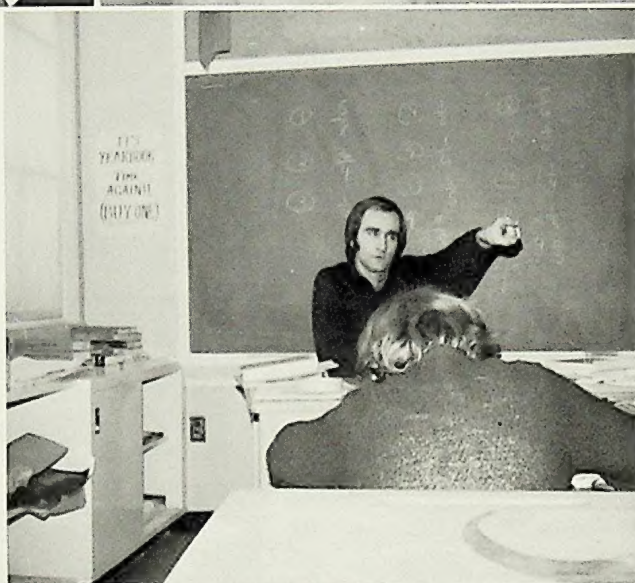

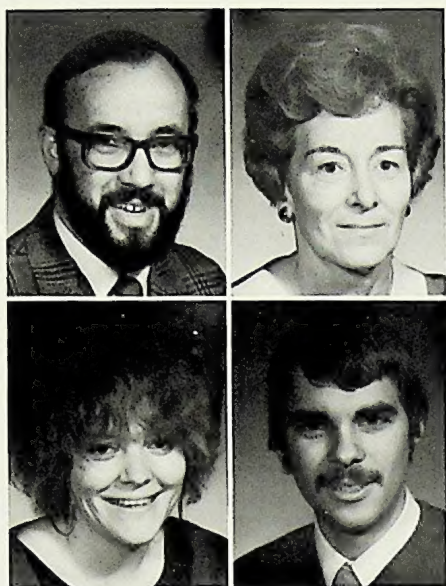

I WANT TO KNOW WHICH ONE OF YOU KIDS PUT GLUE IN MY HAT YESTERDAY, AND
I WANT TO KNOW RIGHT NOW.
